

# Allied Health Assistant

Certificate III in Allied Health Assistance  
Certificate IV in Allied Health Assistance

**Community Services, Health  
and Education Training Council**

# Job Overview

Allied Health Assistants support the delivery of allied health services under the direction of allied health professionals in the fields of occupational therapy, physiotherapy, podiatry, nutrition and speech pathology.

Allied Health Assistants promote participation and functional independence in everyday activities for people affected by illness, injury or social disadvantage.

Employment as an Allied Health Assistant offers diversity, challenge and opportunity to work in settings such as private or public hospitals, client's homes, aged care facilities, schools, prisons and mental health clinics.

Traineeships are available.

More information (incl. salaries) is available by visiting the websites listed below.
