

VET Trainer/Lecturer

Certificate IV in Training and Assessment
Diploma - Vocational Education and Training

**Community Services, Health
and Education Training Council**

Job Overview

Vocational Education and Training (VET) Trainers/Lecturers deliver training to students attending the state's Institutes of Technology (previously TAFE colleges) and private registered training organisations. They develop and write course content and present training sessions, as well as plan and conduct tutorials, seminars, workshops and other practical training activities.

VET Trainers/Lecturers also prepare and mark assignments, and other course work, provide advice to students on their course work and undertake administrative tasks.
